CZECH NATIONAL CHAMPION 2025
23rd EUROPEAN CHAMPIONSHIP 2025

1ST YEAR IN ELITE **SEASON 2025**

Jan is a **first-year Men's Elite** XCO MTB rider from the Czech Republic and the **current Elite National Champion**. In his debut elite World Cup season he has been steadily moving up the ranks, with recent result in **European Championship (23rd)**.

Jan is a super **technical rider**, always searching for ways to progress instead of sticking to familiar training paths. Even without a big team behind him, he has successfully put together his own sponsors to support him through a full World Cup season. With the right support, Jan is ready to focus all his energy into racing and aim for consistent top World Cup results
